VETO MESSAGE

I hereby veto amended Ordinance No. X-77-05-24 for the following reasons:

This ordinance must be vetoed because of City Council's amendment to delay the effectiveness of the annexation for a four-year period. There is no logical reason for delaying the annexation of an urbanized and commercial area surrounded on three of its four sides by the present City limits. The amended ordinance with its four year delay is an irresponsible act which would limit any growth to the City of Fort Wayne during that period of time.

Delaying annexation of urbanized areas to the City of Fort Wayne penalizes each and every taxpayer of the City of Fort Wayne. The loss of revenue is not merely the loss of the tax from the area not annexed, but it is a loss due to the fact that much of the City income is based upon the City's population, i.e. the cigarette tax which goes to the cumulative capital improvement fund is based upon the City of Fort Wayne's population in relation to the population of all other cities and towns in the State of Indiana. The alcoholic beverage tax paid to the City is based upon the City's population. Gasoline tax of the State, through the Motor Vehicle Highway Funds, is likewise based upon Fort Wayne's population. The local road fund and street fund is 60% based upon population and 40% based upon the miles or road within the City. Since the amended ordinance delays annexation beyond 1980, the date of the next census, the penalty to each and every taxpayer of the City of Fort Wayne will be felt for a long period of time and the City will suffer substantial loss of revenues for a period of time much longer than the four year delay in the amended ordinance.

The amendment delaying annexation sets a dangerous and illogical precedent for the many urbanized areas adjacent to our City which are indeed a part of our community and which you as

©FWBC 1974

responsible representatives of the citizens and tax payers of our community must now ask to share in the cost of maintaining a viable and progressive community.

Those councilmen who voted to amend this ordinance have set an example indicating their willingness to abandon the citizens of Fort Wayne in exchange for their own perceived political gains. I submit to those councilmen who have amended this ordinance that the 30 pieces of silver in the form of their own political gains will prove to be as valueless as it was some 2000 years ago.

I call upon your concern for those that you represent, for the taxpayers of the City of Fort Wayne, and for all of the citizens of our community to commence forthwith on an effective annexation program keeping Fort Wayne growing and moving forward.

Signed this twenty-seventh day of March 1978.

Robert E. Armstrong
